Minutes

1. Best in Show debrief

\$2100 raised (+/- Canadian exchange rate)

Communication could have been better between orgs/participants. Part of this was primary communication being on Telegram which most SML members were not on.

Quick run through of the show/dress rehearsal for contestants prior to show.

Have script ready and to emcees 2 weeks in advance.

Performers had a difficult time hearing on stage.

Lumberyard was an alright venue, high of 70ish attendees.

Future: Chairperson and assistant. Radios for staff.

Having winners for multiple categories should be continued, helps contestants and audience stay engaged.

DJ should practice set before hand - instructions weren't clear.

Sister Coochie would like to return as an emcee.

Sinn has connected with London Bradshaw and will see about booking the Unicorn for next year. Date would be November 9 at 6pm.

AJ/Bootblack for a judge next year.

2. WET mosh

Domino will be trying to run a merch table, Hunter will transport mats after hours, no other concerns.

3. Holiday party

Domino's pupdeer games (pass the parcel, ornament relay, wrapped up runway)

Tree decoration with tennis balls.

Two sets of volunteers for each games so volunteers can participate (if they want).

Pass the Parcel (Spike/Flash), Sinn, Eddie volunteer

3.1. SML Santa

Pups will invade SMLs Photos with Santa.

4. LEEP

On hold perpetually with Doghouse's backroom being remodeled and no longer available. Alternative venues need to be explored.

Distant Worlds is a potential alternative venue.

5. Unleashed

Could aim for March - March 9? Do an earlier time scale like 6-11. Kink tasting runs from 6-10, last hour to get out.

Can look at getting a banquet license and providing alcohol. Something like a 2 drink limit.

Harder demos downstairs for play - fisting demo, larger toys, exhibition scene. Something to clearly set the mood for the space.

March 9 is Vancoufur weekend.

March 23 or March 30. Same times.

April 13 or April 14.

6. Seattle Erotic Arts Festival

Domino met with Sofia from Pan-Eros foundation.

April 27th and 28th, (26th is a short day requiring only 2 people), 6pm-12pm, recommended 2 shifts with 3 people each shift (2 bartenders and a barback). Pan-Eros will subsidize most licenses for volunteers. We can prepare a signature cocktail.

Volunteers will have entry to the festival and volunteer lounge.

We can also run coat check (potentially more money than barkeeping). 2 people per shift (presumably same hours).

Pan-Eros needs an answer by January.

End of minutes.
